Subject: Passaic TASC connect

Hi all, so glad to hear that Skeo is back on board, we are looking forward to a lot of work over the next few months. It would be great if we could have a call Thursday or Friday this week to reconnect and make some formal plans moving forward. I am available anytime except 11-12

each day, Please let me know your availability.

I have attached the agenda for next week's CAG meeting. I understand Kirby would like to attend by phone, however the room we are in has not phone line or internet that we can access. Let us know Skeo if you have a way to use a hotspot or cell phone to connect Kirby in, we can talk about it further on the call.

thanks

Doug
